Report Highlights

Aug 01 Sun Square Uranus Solar Eclipse (*Leo-Scorpio 11th-2nd*)******* *Exact (Enter: 08/01/08 Exact: 08/01/08 Leave: 01/26/09)*

Decisive action is the main order of business now: how you respond to change and maintain your independence is a major focus for you, especially with regard to relationships in which you have a significant emotional stake. A change of residence in order to take advantage of new career opportunities is possible and could come about quite suddenly. Family ties are in a state of flux: someone wants to be more independent in a very radical way.

Aug 01 Sun Trine Neptune Solar Eclipse (*Leo-Sagittarius 11th-3rd*)******* *Exact (Enter: 08/01/08 Exact: 08/01/08 Leave: 01/26/09)*

You tend to get over-emotional about ideas and ideologies at a time like this, letting feelings get the upper hand over good sense. It's all very well to be in touch with your feelings - but not if it means you end up being "touched in the head." Travel and communications seem to be the answers to your problems - but sometimes knowing more doesn't answer the questions that really count, and it doesn't matter where you go if you come home to the same old thing. New perspectives and new ways of thinking need to be developed.

Aug 16 Moon Trine MC Lunar Eclipse (*Aquarius-Gemini 5th-10th*)******* *Exact (Enter: 08/16/08 Exact: 08/16/08 Leave: 02/09/09)*

Status and security goals need rethinking now, to take advantage of changing circumstances. Your career is a focus for this, but your home and family situation is also involved. Gathering new information and getting the benefit of sage advice helps you make the right decision. Failing this, you could take a wrong turn. There are offers to be considered, negotiations to be made.
